FARNUM HILL ★
SUMMER
CIDER (7.5% abv)

Golden, sparkling, fruity & fresh,
 with a dash of sweetness. Lights

up the flavors of summer foods. Till Prohibition we drank
 lots of real cider on hot days -- abroad, they still do.
 This summer, pour what the Founding Fathers drank!

“Farnum Hill’s ciders stand alone... terrific with a meal”
 (New York Times)

“The best ciders in America are made in ... Lebanon N.H.
 ... a miracle with food” (David Rosengarten, NPR)

★ *Not only local: also remarkable.*
