**FARNUM HILL
SUMMER
CIDER** (7.5% abv)

Golden, sparkling, fruity & fresh, with a dash of sweetness.

Lights up the flavors of summer foods. Till Prohibition, we drank real cider on hot days -- abroad, they still do. This summer, pour what the Founders drank!

“Farnum Hill’s ciders stand alone... terrific with a meal”
(New York Times)

“The best ciders in America are made in ... Lebanon N.H. ... a miracle with food”
(David Rosengarten, NPR)

★ *Not only local: also remarkable.*
